

JOB ONE THANKSGIVING BASKETS 2021

# 20 Meal Challenge

## Show your support, spread kindness, create holiday joy!

Each year, Job One hosts a “Thanksgiving Baskets” fundraising drive to provide holiday meals for individuals with disabilities we serve who might otherwise go without a traditional meal on Thanksgiving. Your support directly benefits individuals in our community who are independent, but living on fixed incomes and don’t have the financial means to purchase holiday meals.

## Help us Provide 20 Meals by Nov 20th

Now through November 20th, you can help us reach our goal of providing 20 Thanksgiving meals for those in need. Here’s how:

- Donate online at [JobOneKC.org/donate](http://JobOneKC.org/donate)
- Donate via Venmo @Job-One (please include your name and email address for receipt)
- Drop off gift cards to Walmart, Hy-Vee, Price Chopper, and/or Aldi at any of our locations.

**Thank you for supporting Job One and making Thanksgiving  
a little more joyous for those in need!**
